We do not believe in producing products where working conditions stretch morals.

So if you and your customers need your products produced in a location that you can guarantee **matches** the working conditions that you expect, then **we are** the supplier that you need to work with.

IF PRODUCT TESTING IS **IMPORTANT** TO YOU AND YOUR CUSTOMER, AND YOU NEED MORE THAN A **REACH** DECLARATION FORM, THEN LOOK NO FURTHER THAN OUR CAPS AND BEANIES.

ALL STOCKED HEADWEAR USE FABRICS WHICH ARE **OKEO TEX 100** CERTIFIED, OR THEY HAVE INDEPENDENT TEST REPORTS DONE ON THEM.

ALL COMPONENTS ARE INDIVIDUALLY TESTED FROM THE PLASTIC IN THE PEAK TO THE METAL IN THE TOP BUTTON.

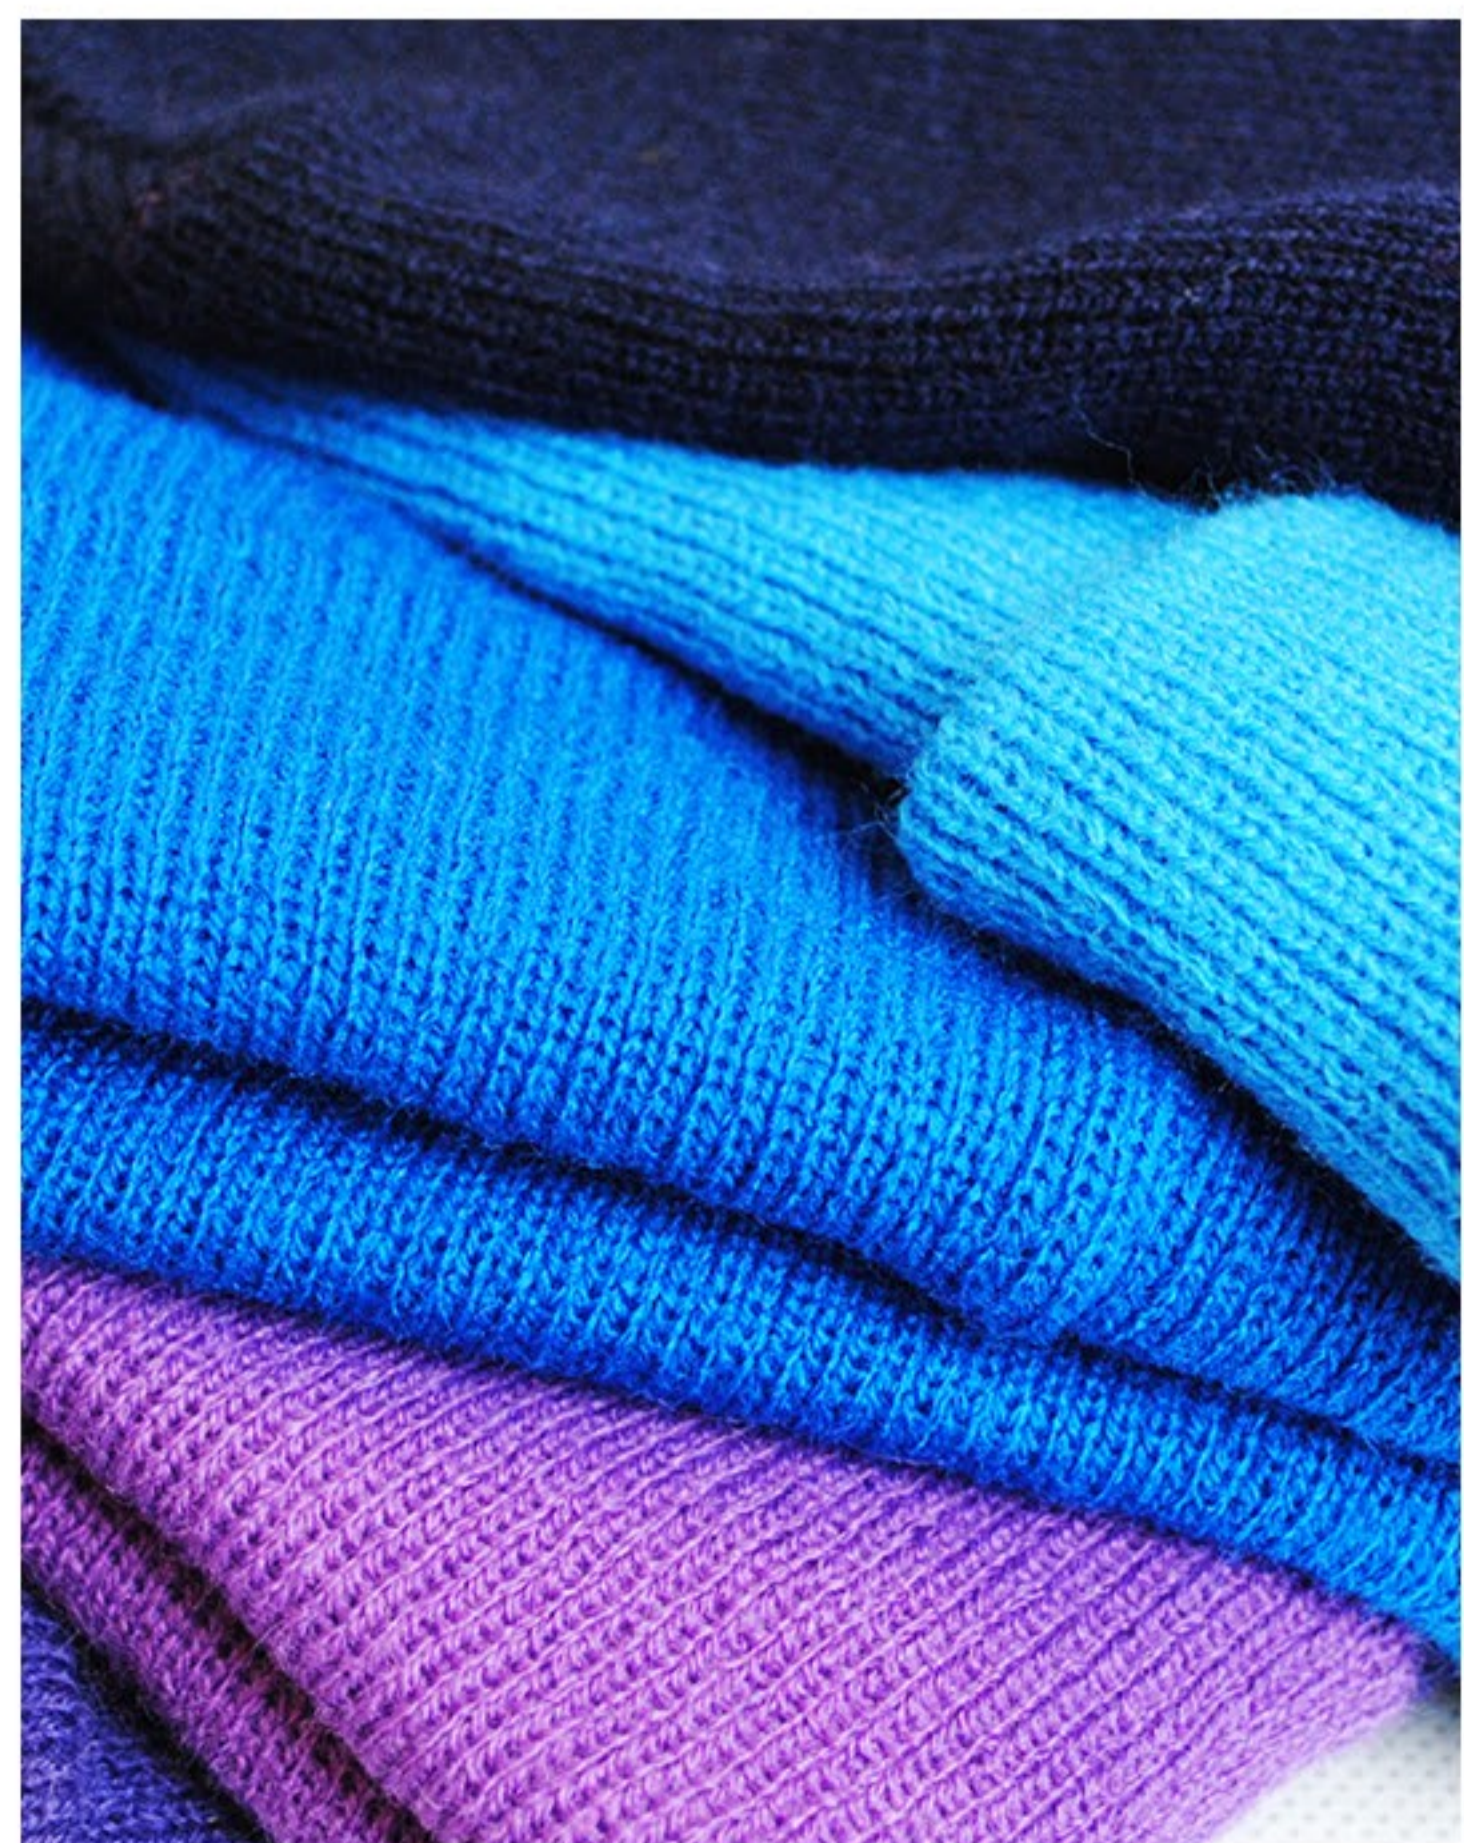

TESTING ON BESPOKE ORDERS IS AVAILABLE SHOULD IT BE REQUIRED BY YOUR CLIENT
